George,

The government's preference would be to have the Petitioners file an unopposed motion. What is the reasoning for FCI's stated preference for a stipulation?

Thanks,  
Sheila

George,

Thank you for your response. EPA is also inclined at this time not to consolidate the petitions. I have cc'ed Leslie Darman, EPA counsel, here.

Thanks,  
Sheila

Sheila,

FCI currently would oppose any effort at consolidation of -68 and -70 or delay of the -68 briefing schedule. If it comes up during the call with the Petitioners' tomorrow, then please let's discuss it before EPA stakes out a position.

Hi George,

I am working on a tight deadline right now, and it would be difficult for me to make time to speak before our call with Barbara tomorrow. It would be helpful for me to know what topic you are interested in discussing. Perhaps we can schedule something after we learn what Barbara is interesting in talking about tomorrow.

Thanks,  
Sheila
